EXPRESS CREMATIONS

Loyalty Reward - £995

A special thank you to returning Respect families

Who qualifies?

Families who have previously used any Respect Funeral Services funeral service, including Express Cremations, direct burial, green burial and traditional funeral arrangements. You do not need to have arranged the previous funeral personally. Tell our team about your family's previous arrangements; we confirm eligibility.

No membership card, loyalty number, points, subscription or membership fee is required. The reward is a £100 discount against our standard national direct cremation price of £1,095.

The same professional service

Both the £995 Loyalty Reward and £1,095 Standard National price include hospital collection anywhere in England and Wales during normal working hours, professional funeral directing, care and accommodation, an appropriate cremation shroud, individual unattended cremation and crematorium fees. Scattering within the crematorium grounds is included if requested.

Family and friends do not attend the cremation itself. The provider chooses the crematorium and time. You remain free to arrange a separate remembrance or celebration of life.

Additional choices and terms

Ashes return, including a scatter-tube urn, is an additional £50. Home, care-home or hospice collection is an additional £200. Emergency out-of-hours collection adds £195 on top of applicable collection charges. Any coffin upgrade or other specialist requirement is quoted and agreed in advance.

Both prices apply to a direct cremation arranged now or in the near future. They are not prepaid funeral plans. There is no advance payment or subscription involved in the Loyalty Reward. The separate £1,587 free advance-planning arrangement has its own Price Promise, terms and inclusions; this reward does not alter that agreement.

Paperwork, payment and contact

We guide you through the paperwork and arrangements. Necessary documents and cleared funds are required before cremation. Payment may be made by bank transfer or debit/credit card. We explain and agree the total price before arrangements proceed.

Call 0800 206 2210 or email info@directfuneral.co.uk. Express Cremations is a trading name of Respect Funeral Services. VAT 433986462 | ICO ZB246519 | D-U-N-S 22-686-2588.
