Fees and additional services

Agree the full arrangement price before proceeding

Fees you must pay

For an attended or unattended burial, the burial fee is separate. For an attended cremation, the cremation fee is separate. Typical local-resident fees in this local area are shown below.

Burial fee for local residents	£595 / £700 / £800
Attended cremation fee for local residents	£600 / £910
Saturday cremation: up to	£1,342

The burial (interment) fee covers digging and closing a new grave, or reopening and closing an existing grave. A new grave also needs a plot; a memorial removal/replacement fee and other cemetery fees may apply. The cremation fee is included in the unattended packages on page 1. Discuss specific religious, belief-based or cultural requirements with the funeral director.

Direct cremation and planning

Care, payment and choices for the ashes

What the direct cremation service includes

Respectful care and preparation, a cotton shroud, registration and document advice, and an individual unattended cremation at a crematorium and time chosen by the provider. Family and friends do not attend the cremation.

Care is arranged at Scrooby/Bawtry DN10 6AB or Morton near Gainsborough DN21 3AA. Cardboard and wood-effect coffin upgrades can be discussed separately. Larger-size requirements may need extra personnel, a larger vehicle or a larger coffin; agree suitability and the complete cost before proceeding.

Viewing, an attended ceremony, a church or graveside service, newspaper announcements and family flowers are outside the basic unattended package. Discuss alternatives and their costs before choosing.

Ashes and a place of remembrance

For at-need packages, scattering in the crematorium grounds is free. Ashes return costs £50, including a scatter-tube urn. Ask about ashes interment at our award-winning natural green burial park in Lincolnshire: directburial.co.uk. Interment arrangements and fees are separate from the cremation package.

Free advance planning - £1,587 fixed for 10 years

The separate £1,587 advance arrangement fixes the agreed Direct Cremation price for 10 years under your agreement. It includes collection from hospital, home, care home or hospice Monday-Friday, 9am-5pm, professional funeral directing, arranging the unattended cremation and UK-mainland ashes return. Urgent out-of-hours collection adds £195. Other services or charges outside the agreed package are explained before the funeral is arranged.

No advance payment, deposit, instalments or registration fee. Your free After My Death Certificate records the agreed services and guarantee. After ten years, the qualifying published price is reviewed under the agreement safeguards and fixed for five years, with further five-year reviews and no renewal administration fee. Planning does not fund the funeral; payment is made when required under the funeral services agreement.

Paperwork and payment

We prepare the cremation application for the applicant to check and sign, and explain the documents needed for the circumstances. Where issued, the registrar’s Green Form is required. If the coroner is involved, the coroner’s cremation authority is sent directly to us.

Payment can be made by bank transfer or debit/credit card. The necessary documents and full cleared funds are required before cremation. Official payment receipts are provided.
